#1218-A/ov

To Comrade BREZHNEV, L.I.  
MOSCOW

In accordance with the decision of the CC CPSU, on 14 May the Committee for State Security gave trusted KGB intelligence agent, W. Haddad, head of the external operations section of the People's Liberation Front of Palestine, a consignment of foreign-produced arms and ammunition (submachine guns - 50, hand guns - 50 including 10 fitted with silencers, ammunition - 34,000 rounds).

The covert delivery of arms was carried out in the neutral waters of the Gulf of Aden at night, with no direct contact, and with full observance of secrecy by an intelligence-gathering vessel of the Navy of the USSR.

W. Haddad is the only foreigner who knows that the arms were supplied by us.
