On the request of the management of the Lebanese communist party

The member of the Politbureau and the secretary of CC of Lebanese communist party (LCP), Nadim Abdel Samad has requested to accept in the USSR three representatives of LCP for the preparation on questions related to the organization of safety of party (photographing, cryptography, information, and so forth) (encoded telegram of KGB from Beirut № 401, dated March 10, 1976).

The International Division of the CC CPSU considered it possible to satisfy the request of the LCP's management. Reception and care of three Lebanese Communists would be possible to lay on the International Division and Management of the Affairs of the CC CPSU, and to charge with the organization of the program and preparations for their stay on the Committee of national security with the Council of Ministers of USSR.

Carry out expenditures for their stay in the USSR and also for the passage from Beirut to Moscow and vice versa, on the account of party budget.

This question is coordinated with Committee of State Security (com. Tsinev).

The project of the decision PK of CPSU (Communist Party of the Soviet Union) is attached.
