Re: request of the leadership of the Communist Party of Chile

The leadership of the Communist Party of Chile has sent a request (enclosed herewith) that the USSR accommodate 20 Chilean comrades, including 12 from Chile and 8 CPC cadre figures who reside in various countries. The CPC leadership request that expenses borne by the aforementioned comrades when traveling to Moscow and back, to the point of destination, be recompensed.

We believe this request of the CPC leadership should be granted. This matter has been coordinated with the Committee for State Security of the USSR (Comrade Chebrikov).

Enclosed herewith is a draft resolution of the CC CPSU.

C/O Central Committee, CPSU

Esteemed Comrades:

In accordance with the program aimed at aiding the organization of our party in the country, we hereby request that Moscow accommodate 12 comrades from Chile to undergo a course of training in *clandestine* techniques. We would like to use their visit to exchange data between the members of the [Party] leadership who are within and without the country.

In addition, we request that you accommodate and arrange for a similar course of training for 8 comrades who reside in various countries. In other words, we request that you train a total of 20 persons in 1979.

We believe that the comrades to arrive from Chile will be able to start arriving in March 1979. We further believe that they will leave this country and return using legal [legitimate] documents [ID papers]. However, two or three of them may have to use illegal [counterfeit] documents, in which case we would expect your assistance.

We [further] request that you recompense the expenses involved in the travel of the above-mentioned comrades [to your country] and back, to the point of destination.

Fraternally yours,

Jorge Montes,

On behalf of the Political Commission,
CC, Communist Party of Chile
