Dear Comrades:

On behalf of the Central Committee of the Socialist Party of Chile, I request that you accommodate a group of [ten] SPC activists [and arrange for an 11-month course in military training for them]. Your help to this end would play a major role in the upgrading of the performance of our Party in its current underground status.

Should you reply in the positive, the SPC leadership would be prepared to supply all the required information.

Comradely yours,

(Signed)

Clodomiro Almeida,

General Secretary, Socialist Party of Chile
