Re: Request by the Leadership of the Communist Party of Argentina

The Leadership of the Communist Party of Argentina has requested CC CPSU (as per OP#1749) that a trusted CPA representative can undergo a special course of training, of up to three months, in clandestine party operations.

We believe it worthwhile to grant the CPA Leadership's request and arrange, in 1980, for a three-month course of training in clandestine party techniques for this CPA representative.

This training course could be organized by the Committee for State Security of the USSR, while the CC CPUS International Department and the Department of Administrative Affairs could take care of his accommodation and housing arrangements, with all expenses, including those involved in his transportation from Buenos-Aires to Moscow and back, his stay in the USSR, charged to the party budget reserve expense items.

This matter has been coordinated with the KGB of the USSR (Comrade Chebrikov).

CC CPSU draft resolution enclosed herewith.

(Signed)

K. Krutents, First Deputy Head, International Department, CC CPSU
